### Why sponsor Rose City Gymnastics Expansion?

Is your target market young adults, families, mid to high income families, frequent travellers, athletes, teenagers, or high achievers? Do you want your brand to be associated with the promotion of healthy lifestyles? If you answered YES to either of these questions, then a sponsorship package with Rose City Gymnastics is the right fit for your company.

Gymnasts are high achievers. Academically, gymnasts achieve high grades. Our sport builds successful, highly motivated adults. Typically they go to university, work in our communities, they coach and judge younger athletes, they are future mothers, fathers, business owners and employees. This is your audience.
